SAFETY TIPS!!!

How should I prepare materials for transport to the collection site?

- Bring products in their original containers-Do not mix products!
- Make sure containers are properly sealed and labeled correctly.
- If the containers leak, pack in larger container and use absorbent, such as cat litter, to soak up leaks.
- If you do not know what it is, mark it "unknown"
- If possible, place materials in cardboard boxes-boxes with dividers make for good packing.
- Place materials in areas away from drivers and passengers.
