

# STAGE 1

Stage One Restrictions begin when the [aquifer level](#) drops to 660 feet mean sea level at the monitored well.

- **Water waste is prohibited at all times.** Water waste includes allowing water to run off into a gutter, ditch, or drain; or failing to repair a controllable leak.
- **You should reduce water consumption** by any means available.
- **All non-public swimming pools** must have a minimum of 25 percent of the surface area covered with evaporation screens when not in use. Inflatable pool toys or floating decorations may be used.
- **Hand watering** with a hand-held hose, soaker hose, drip irrigation, bucket or watering can is permitted any time and any day.
- **Washing impervious cover** such as parking lots, driveways, streets or sidewalks is prohibited. Health and safety exceptions to this rule may be requested from the City if Kirby in writing.
- **Residential washing of vehicles** or other equipment is allowed only on assigned watering days and times. A hose with an automatic shut-off nozzle or bucket of five gallons or less may be used. Water should not be allowed to run into the street.
- **The use of commercial car wash facilities** is allowed any day.
- **Operators of golf courses, athletic fields and parks** must submit a conservation plan to City Of Kirby. For submittal requirements operators should contact City Hall water Department at 661-3198. Golf courses, athletic fields and parks may not irrigate between the hours of 10 a.m. and 8 p.m.
- **Landscape areas on golf courses** not directly "in play" are required to follow one-day-per-week watering based on address unless otherwise instructed by Kirby.
- **Use of fountains, waterfalls,** or other aesthetic water features — outdoors or indoors — is prohibited, unless a variance has been granted for 100 percent non-potable water use.

## Landscape Watering

Watering with an irrigation system or sprinkler is allowed only once a week before 10 a.m. or after 8 p.m. on your designated watering day as determined by your address:

| Last Digit of Street Address | Watering Day |
|------------------------------|--------------|
| 0 or 1                       | Monday       |
| 2 or 3                       | Tuesday      |
| 4 or 5                       | Wednesday    |
| 6 or 7                       | Thursday     |
| 8 or 9                       | Friday       |

No watering on weekends

Areas without a street address, such as medians and neighborhood entryways, water on Wednesday.

## Water for Generations

City of Kirby's cheapest source of water is conservation — water we don't use. That's why our proven [conservation programs](#) have become a cornerstone of the community's [long-term water management and supply strategy](#).

With your help, we can keep Kirby's rates among the lowest in the nation, while managing tomorrow's water today.
