

STAGE 2

Stage Two Alert begins when the Aquifer level reaches 650 feet mean sea level at the monitored well.

- All restrictions from [Stage One](#) remain in effect, unless added to or replaced by Stage Two rules.
- **Landscape watering** with an irrigation system, sprinkler or soaker hose is allowed **only once a week from 3-8 a.m. and 8-10 p.m.** on your designated watering day, as determined by your address.
- **Watering with drip irrigation or 5-gallon bucket** is permitted any day, but only between 3-8 a.m. and 8-10 p.m.
- **Watering with a hand-held hose** is allowed any time on any day.
- **Use of fountains, waterfalls, or other aesthetic water features** — outdoors or indoors — is prohibited, unless a variance has been granted for 100 percent non-potable water use.
- **All non-public swimming pools** must have a minimum of 25 percent of the surface area covered with evaporation screens when not in use. Inflatable pool toys or floating decorations may be used for this purpose.
- **Washing impervious cover** such as parking lots, driveways, streets or sidewalks is prohibited. Health and safety exceptions to this rule may be requested from the City of Kirby in writing.
- **Residential washing of vehicles** or other equipment is allowed only on assigned watering days and times. A hose with an automatic shut-off nozzle or bucket of five gallons or less may be used. Water should not be allowed to run into the street.
- **The use of commercial car wash facilities** is allowed any day.
- **Operators of golf courses, athletic fields and parks** must submit a conservation plan to The City of Kirby. For requirements, contact City Hall at 661-3198. Golf courses, athletic fields and parks may not irrigate between 10 a.m. and 8 p.m.
- **Hotels, motels and other lodging** must offer and clearly notify guests of a "linen/towel change on request only" program.

And don't forget to follow these year-round rules:

- Water waste is prohibited at all times. This includes lawn watering overspray and runoff.
- Restaurants may serve water only on request (to reduce dishwashing).
- Charity car washes allowed only at commercial car wash facilities.

Landscape Watering

Watering with an irrigation system or sprinkler is allowed only once a week from 3-8 a.m. and 8-10 p.m. on your designated watering day as determined by your address:

Last Digit of Street Address	Watering Day
0 or 1	Monday
2 or 3	Tuesday
4 or 5	Wednesday
6 or 7	Thursday
8 or 9	Friday

No watering on weekends with a sprinkler, soaker hose or irrigation system. Areas without a street address, such as medians and neighborhood entryways, water on Wednesday.

Water for Generations

City Of Kirby's cheapest source of water is conservation — water we don't use. That's why our proven [conservation programs](#) have become a cornerstone of the community's [long-term water management and supply strategy](#).

With your help, we can keep Kirby's rates among the lowest in the nation, while managing tomorrow's water today.

www.kirbytx.org

The use of treated wastewater or recycled water is a defense to prosecution under these rules. Stage Two restrictions continue until there is an announcement in the newspaper that Stage Two has been canceled or that Stage Three is in effect.
