The City of Kirby has been notified that 26 of the 41-80 cases can be located within our City and have an onset of illness ranging from March 19-June 14. This is the only information provided to the City of Kirby at this time. We do not receive status updates on recovery.

The state of Texas has been re-opening in phases. We encourage all residents to practice social distancing of a minimum 6 feet, and wear a mask when out in public and cannot maintain social distancing.

If you feel that you are having symptoms, of COVID-19, you are encouraged to call your primary care physician, contact a tele-med doctor, or visit an urgent care instead of the emergency room, unless you are having a severe medical condition.

The City of Kirby is committed to the health, well-being and safety of our community and we will continue to provide updates as available.
