

## Notice of Construction

### Alan Shepard Road Reconstruction and Sewer Replacement Project

City of Kirby Residents,

As we continue working to improve our infrastructure, the City of Kirby has contracted R.L. Jones, LP to complete the Alan Shepard Road Reconstruction and Sewer Replacement Project. The project will consist of sewer main replacement, and road reconstruction on Alan Shepard from Dick Gordon to Swann Lane. **Staging and work will begin the week of October 11, 2022 and is anticipated to be completed by April 2023.** Construction will take place in phases and residential access will be maintained throughout the duration of this project. Normal working hours will be Monday – Friday between 7:00am and 6:00pm. You will be notified of any changes to this schedule.

For any concerns or questions during construction, please contact RL Jones project Superintendent Mr. David Garcia at 210-999-0190.

Thank You,

City of Kirby Public Works
